### **Planning My 4-H Project**

What would you like to do in your 4-H project this year? You might want to go fishing with your club or learn how to launch rockets. Perhaps you would like to clean up your neighborhood or learn to make pizza. The possibilities are endless!

This page is designed for you to record what you want to do land learn this year. The things you plan to learn and do are called *goals*. Goals can be completed alone or with your 4-H friends.

To begin, list the things you would like to learn or do. Look in your project book for ideas, talk to your 4-H leader and ask your friends. You may think of new goals during the year. If so, just add them to your plan along with the month you think you will do them.

#### **My Project Goals**

What thing: Examples:	s do you want to learn or do?  Prepare a family dinner  Build a food pyramid  Visit a grocery store behind the scenes  Work in the food pantry  Enter baked goods in county fair	Month to do them July May March January August	
Record you	ır goals below:	Month:	

-You may add pages if necessary -

### **My Project Activities**

Think about what you have learned in your project and write down your experiences. Tell us about the new knowledge you have gained. Be sure to include new skills you have learned. Use numbers to show how much you did, how many items you made, how much money you earned or saved, etc. Include any community service activities you have done related to your project.

Example:	Learned and Did in my Project  Made a first-aid kit  Performed a safety skit five times  Rode my bicycle in a rodeo – won a safety award  Made a rocket with my dad – shot it safely	Date(s) When I Learned/Did April 3 May 15 August 12 February 16, 24
