

WE WANT YOUR FRIENDSHIP!

What are Friends for?

The Friends of the Central and Bull Run Libraries financially support library programs and services. Our foremost annual commitments are the Summer Quest and Teen Summer Reading Programs. Together with the Chinn Park and Potomac Friends, we provide funds to support these wonderful programs. The Friends of the Central and Bull Run Libraries contributed \$ 4,950 to these valuable programs this year.

We also contributed toward library programs, programming supplies and materials. Funding from the Friends has underwritten concerts by the Prince William Symphony, jazz programs, puppet shows, furniture for the children's area, Black History programs, Civil War presentations, genealogy programs and much, much more. The libraries receiving support from the Friends are Bull Run Regional, Central Community, and the Neighborhood Libraries at Nokesville, Gainesville, and Independent Hill. If you use these libraries, this is the Friends group for you and for your community!

Ways and Means!

The Friends raise funds by collecting donated books and offering them at special book sales. All of the libraries receiving Friends funds also offer ongoing book sales under the sponsorship of the Friends. Help us think of creative fundraisers, help collect donations for book sales, and spend part of a busy weekend helping with a book sale.

If you are interested in helping your libraries by joining The Friends, please fill out the attached form and mail to:
