

Acceptable Signatures **for Bond, Escrows and Site Development Permit** **Documents**

The following is a list of representatives that Prince William County has determined to have appropriate authorization to sign bond, escrows and site development permit documents within a corporation, limited liability company, partnership, institution or similar organization.

If the document is not signed by an authorized representative as noted herein, an incumbency certificate, secretary's certificate or operating agreement must be submitted with the bond, agreement and/or escrow document, which verifies that the person and/or entity signing the document is legally authorized to do so.

LLC or LC (Limited Liability Company)

Manager, Member or Managing Partner

Corporation

President or Vice President

Partnership

Partner

Churches (that have trustees)

Recorded order of the court appointing trustees and authorizing trustees to act on behalf of the church.

The Mormon Church

Documentation from the "stake" indicating authorized representative.
