

Master Gardeners

Master Gardeners are trained educators who volunteer with Virginia Cooperative Extension (VCE) to assist the local agent with plant clinics, lawn and landscape programs for homeowners, conduct plant clinics, give lectures and go into school to present SOL-based curriculum

Our Mission:

To provide an aesthetically pleasing, well-designed, educational garden space through which VCE Master Gardener volunteers and staff can demonstrate and provide classes on a wide array of VCE recommended horticultural and water quality practices for the benefit and education of our Prince William community.

About the Teaching Garden

The Teaching Garden is a place to see low maintenance gardening techniques that homeowners can implement in their own gardens and features plant material that grows well locally.

The Teaching Garden is a project of the VCE-Prince William Master Gardener volunteers and is funded solely by the Master Gardeners of Prince William.

Join us for "Saturdays in the Garden" programs

- April 4th - Preparing your Garden for Spring, Creating a Sustainable Garden
- May 2nd - Deer Resistant Plants, What's New in the Woodland Garden and Master Gardener Plant Sale
- June 6th - Attracting Pollinators to your Garden featuring the Prince William Regional Beekeepers, and the Bees Butterflies and Hummingbirds bed
- July 11th - Building a Living Wall
- August 1st - Turf Field Day
- September 5th - Dividing Perennials
- October 3rd - Planting Trees and Shrubs

All programs are free and run from 9am-10:30am, unless noted. Registration is requested. Children's activities planned for some events.

Check our website for monthly event updates.

You are always welcome to visit the gardens! If you'd like to visit at a time other than our scheduled programs, please check in at the Monastery office for a visitors pass before going to the garden.
