FOR IMMEDIATE RELEASE

Two Are Indicted in Dominion Wrecker Investigation

- In late 2007 and early 2008 the Police Department began receiving an increasing number of complaints regarding the towing practices of Dominion Wrecker Service in Woodbridge.
- The Department met with representatives of the company on several occasions and explained all regulations and fees established by the County ordinance.
- The company continued to impose fees in excess of those allowed by law.
- Indications are that thousands of people were charged a higher amount than was allowed by law.
- Citizens were told that if they didn't pay the excessive tow fee, the company wouldn't release the vehicle.
- A General District Court judge and the County Attorney's Office have ruled the ordinances are valid.

As a result of this investigation, the following individuals have been indicted on the stated charges:

Andrew Edward Manson
