

Join the Autism Society of Northern Virginia and Infant and Toddler Connection of Prince William, Manassas and Manassas Park for

Autism 101

Are you new to the Autism community or want to learn more about Autism services, therapies and supports? Are you overwhelmed with all the autism literature out there? Do you not know where to start? Join us at Autism 101.

Autism 101 is a 1 hour overview that includes:

What is autism?

What therapies exist?

How do I access services?

How do I pay for them?

What should I expect down the road?

...and much more!

Learn about autism and connect with other families.
