

Housing Resources for Individuals in Virginia's Settlement Agreement Population

The Settlement Agreement target population for housing includes Virginians with developmental disabilities age 18 and older who are in one the following categories:

- *Living in a training center, intermediate care facility, skilled nursing facility or group home & eligible for the Medicaid DD Waiver*
- *Receiving Medicaid DD Waiver services*
- *On a waitlist for Medicaid DD Waiver services*

If this sounds like you & you are interested in housing opportunities in the community, please join us for this information session!

Information Session

March 15, 2017

12:00 pm – 2:00 pm

Independence Center of Northern Virginia

2300 Clarendon Boulevard, Suite 305

Arlington, VA 22201

RSVP to: layoo@ecnv.org

The Northern Virginia Regional Housing Specialist for the Department of Behavioral Health & Developmental Services will review:

- the Settlement Agreement's provisions related to housing,
- examples of integrated, independent housing options, and
- housing resources available to individuals in the Settlement Agreement population
- how to assess your housing "readiness" and take steps to prepare for housing
