PRINCE WILLIAM COUNTY STRATEGIC PLANNING

Prince William County is in the process of developing its 2004-2008 Strategic Plan. The Board of County Supervisors adopted the following Strategic Goals:

**2004 -2008 PWC Strategic Goals**
- Community Development
- Economic Development
- Education
- Human Services
- Public Safety
- Transportation

Citizen input will be used in the creation of a new Strategic Plan. This document is designed to help the County achieve its citizens’ long-term vision. It provides crucial policy guidance for service delivery and budget decisions during the elected Board of County Supervisor’s four-year term.

The County is soliciting citizen input on the above strategic goal areas. What will the future look like in Prince William County for you, your family and your friends? Help the County identify strategies and objectives to achieve our strategic goals, which will help improve your quality of life. Prince William County wants to hear from you!

A community meeting will be held on:

**Monday, July 26, 2004**
**7:00 p.m.**
