**2019 Dumpster Days Schedule**

Dumpster Days are facilitated by PWC Department of Public Works Neighborhood Services & Solid Waste Divisions. The events are open for use by all County residents. We encourage residents to take part in organizing or participating in a community cleanup in their neighborhoods. Volunteers can participate in area litter pickups or simply utilize the free County dumpster to remove clutter and debris from their yards or other areas around their home.

HOAs and other neighborhood groups who wish to hold their own community cleanups should contact our non-profit Community Partner Keep Prince William Beautiful at kpwb.org or 571-285-3772.
