

Let's Celebrate

June 17 *in Prince William County*

Show your support and appreciation

for the men and women doing these dirty, dangerous and important jobs in our community during the week of June 13:

- Share a wrapped sweet treat or healthy snack
- Offer a cold bottle of water
- Give him or her a tip
- Say a personal “thank you” or leave a thank you note
- Give the landfill attendants hearty thanks and “high five.”
- Follow the provided guidelines for size and weight limitations and types of materials that are discarded in the regular trash.
- Avoid improper disposable hazardous liquids and hazardous household waste.
- Use more caution when putting harmful items in the trash such as glass, medical waste, hot ashes, or liquids.
- Consider ways you can reduce, reuse and recycle the things being thrown in the garbage from your own home or place of business.

Visit www.pwcgov.org/trashandrecycling to learn more. Send your celebration ideas and photos to PWCRcycles@pwcgov.org for the County’s Facebook page.
