### **RELIC NOW OFFERS INDEFINITE MICROFILM LOANS**

Through a recent agreement with the Genealogical Society of Utah, RELIC can now offer indefinite loans on microfilms from the Family History Library in Salt Lake City. RELIC has been a participant in the FHL microfilm rental program since 2001, but until now could not retain them after the second renewal. Now researchers with a long-term project can arrange to have microfilm retained here for as long as necessary, paying a total fee of \$18 per film. In addition, RELIC now has the option of obtaining microfiche from the collections of the Family History Library. For further details, please contact the RELIC staff at 703-792-4540 or [relic2@pwcgov.org](mailto:relic2@pwcgov.org).
