### RELIC NOW OFFERS INDEFINITE MICROFILM LOANS

Through a recent agreement with the Genealogical Society of Utah, RELIC can now offer indefinite loans on microfilms from the Family History Library in Salt Lake City. RELIC has been a participant in the FHL microfilm rental program since 2001, but until now could not retain them after the second renewal. Now researchers with a long-term project can arrange to have microfilm retained here for as long as necessary, paying a total fee of \$18 per film. In addition, RELIC now has the option of obtaining microfiche from the collections of the Family History Library. For further details, please contact the RELIC staff at 703-792-4540 or [relic2@pwcgov.org](mailto:relic2@pwcgov.org).

[This is the story of the integration of the school systems in Prince William County, Virginia. It is the story of the Russell family: Reverend James P. Russell, President of the NAACP, who selected his daughter, Joyce, to integrate Gar-Field High School in Woodbridge, Virginia, her sister Deborah and brother Cameron to integrate Occoquan Elementary School, and brother, Jimmy, to integrate Fred Lynn Middle School. It tells of the danger of their house being shot up on a hot July night, and how Bobby Kennedy sent the Federal Marshals the next morning to get Joyce out of the area. It describes the true feelings of fear, courage, and endurance as well as ostracism and harassment that led to a phone call from A. Philip Randolph encouraging Joyce to stay in school at her lowest moment.]
