

**PRINCE WILLIAM**  
COUNTY

# Drive-Through Uses and Curbside Pick-up **#DPA2023-00005**

Planning Commission Work Session

Emilie Wolfson  
Planning Office

David McGettigan  
Planning Office

## Initiation

- Review regulations related to drive-through uses and curbside pick-up to provide additional flexibility.

## Current Text

- Drive-in, drive-through, drive-up all need an SUP

## Proposed Text

- Removes term **drive-in, drive-up**
- Language pulls out anything in a designated parking space. **Curbside pick-up** (new term) in a designated parking space would not need a SUP.

**What we heard from industry and community stakeholders.....**

# Drive Through & Curb-side pickup

#DPA 2023-00005

# Drive-Through Uses and Curbside Pick-up

# Drive-Through Uses and Curbside Pick-up

# Drive-Through Uses and Curbside Pick-up

# Drive-Through Uses and Curbside Pick-up

Additionally, staff is looking into reconsidering the SUP requirements for all drive-throughs- Part II of this ZTA (needs to be initiated)

- Needs to meet a set of design standards (architectural, transportation, buffers and landscaping etc.)
- May not be appropriate in every part of the county.
- Timing this concurrently with the **DCSM Chapter 600 changes.**
