Dear Mr. Smith,

It is with great pleasure we inform you of the action of the APWA Accreditation Council to award Full Re-Accreditation to your agency for the ensuing four-year period effective March 10, 2020.

Congratulations to you, Accreditation Manager Matthew Groff, and each member of your agency for the excellent work in completing the Accreditation process.

We trust you have found great benefits from working through the Accreditation process and that each member of your department will continue to feel a sense of pride at having achieved and maintained this distinction.

Your final site visit results and updated date plates for your accreditation plaques are being forwarded to Mr. Groff and we will follow up with him on closeout items for the visit.

Once again, congratulations on a job well done.

Sincerely,
