

Prince William Area Continuum of Care July 2016

Conflict of Interest Policy

- No member shall vote upon any matter which has a direct financial effect on the member or the member's organization. This includes, but it not limited to, matters regarding funding, awarding contracts and/or implementing corrective actions.
- No member whose organization is included in an upcoming vote shall request, advocate, lobby or coerce any other member to vote a certain way that would benefit the requester's organization.
- All members may participate in discussions about impending CoC actions.
- Members whose organizations provide services to persons who are homeless and who receive funds or are applying to receive funds through any CoC may not be a member of the Performance Evaluation, Service Ranking, and Application Review Committee.
