Reminder- COVID Protection:

- All are reminded that we need to continue to be vigilant. Remember the best defense is, **wear your Mask, wash your hands, social distance of 6 feet or more, limit social gathering sizes to 10 people or less, and avoid large crowds.**

PWHD Currently in Phases 1a and 1b:

- **1a:** All categories of Healthcare workers and long-term care facilities.
- **1b:** Frontline essential workers (Police, Fire, Hazmat), individuals 65 and older, Childcare/PreK-12 teachers/staff, correction facilities, homeless shelters, people aged 16-64 years old with underlying medical condition or disability.

Warning -- Do Not Schedule other vaccines 14 Days Before or After Your COVID-19 Vaccine:

- Due to safety concerns, the CDC recommends not taking multiple vaccines within 14 days.
- PWHD is unable to vaccinate individuals who have received another vaccination, such as flu or shingles, within 14 days before the scheduled COVID-19 vaccination.
- PWHD recommends that patients do not schedule other vaccinations within 14 days after receiving the COVID-19 vaccination.

Patients may receive emergency vaccinations (such as rabies and tetanus) within 14 days after the COVID-19 vaccination. However, if a patient receives emergency vaccination before COVID-19 vaccination, PWHD will require the patient to wait 14 days.
