COVID-19 Community Outreach Team: On the Move

Anyone can request assistance from the **PWHD Community Engagement Team**, such as businesses, grocery stores, churches, nursing homes, and schools.

What does the team do?

The **Community Engagement Team** sets up booths to sign people up for vaccine appointments or goes door-to-door canvassing to talk to residents about the COVID-19 vaccines and vaccine appointments. Also, the team may possibly set up a mobile vaccine clinic at your location or the surrounding community.

Here is a link to the request form: bit.ly/CE_RequestForm.

*While we try to fulfill all requests, we have to be mindful of resources and vaccine availability.
