**DON'T WAIT TO PROTECT YOURSELF, YOUR LOVED ONES AND  
YOUR COMMUNITY**

A COVID-19 vaccination clinic is taking place this Saturday, May 8, from 10 a.m. to 1 p.m. at the Dar Al Noor Islamic Community Center. The address is [5404 Hoadly Rd., Manassas, VA 20112](#).

Anyone 18 and older is welcome to schedule a vaccine. The clinic will use the Johnson and Johnson COVID-19 vaccine, which has not been approved for anyone under 18. This single dose vaccine has been found to be safe and effective by the CDC.

Walk-ups are based on vaccine appointment availability.

## DON'T FORGET YOUR SECOND DOSE

Come get your second dose of the Moderna or Pfizer vaccine beginning at 8 a.m. on May 6 in MAP Clinic site. The clinic is located at the Manassas Park Community Center ([99 Adams St, Manassas Park, VA 20111](https://www.mapclinic.org/)).

Getting **both doses** increases the chances that people will have enough antibodies to protect them. **After two doses**, both Moderna and Pfizer provide nearly 100% protection against severe COVID-19, hospitalization and death. Also, it is critical to get the second dose, which provides protection against COVID-19 virus variants.

## DID YOU KNOW?

**Now you can get your second dose (Moderna or Pfizer) wherever you want!** You no longer have to get the **second dose** where you received your first dose of vaccine.

If it has been 28 days (Moderna) or 21 days (Pfizer) since your first dose, schedule your own second dose appointment by visiting [vase.vdh.virginia.gov](https://vase.vdh.virginia.gov).

1. Enter your zip code
