ARE YOU PREPARED?

Build a kit | Make a plan | Stay Informed

Are you and your family prepared to survive if a disaster strikes?

Ready Prince William is a whole community preparedness campaign in collaboration with the cities of Manassas and Manassas Park.
Build a Kit

The Essentials

- 1 gallon of water per person, per day for 3 days for drinking and hygiene
- 3 days of food that won't spoil and doesn't need electricity to prepare
- A written family emergency plan
- A battery powered and/or hand-crank radio and extra batteries
- A change of clothes for each person

If you have to evacuate, take your kit.
Keep it in an easily portable container, in an easily accessible place.

Once you have collected the essentials, complete your kit with additional items listed below.
