Heather Page was appointed to the Community Services Board as an at-Large member February 11, 2020. She is a Registered Nurse with a background in Family Medicine, NICU, and Women’s Health. She lives in the community of Montclair and has traveled the world with her husband, a disabled Marine Corps Veteran. While abroad, Heather served as a government nurse in several military clinic’s providing care to military members, civilians, and military connected locals.

Heather teaches childbirth education and infant care classes to the underserved through a community-based nonprofit in which she co-founded. She practices volunteerism and advocacy in her everyday life, working with many local agencies. She serves as Director-at-Large, Montclair Board of Directors and is the Board Liaison for Community Events, planning thirteen events annually.

The Page family serves as an animal rescue foster family with Homeward Trails. They have four children, two in college and two currently homeschooling. She is the proud mother of a child on the autism spectrum and has seen firsthand the benefits of mental health services.
