The Prince William Public Library System buildings and grounds, including the outside entry, are limited public forums where individuals are not entitled to conduct the same scope of activities that they may do on public sidewalks, and are subject to the restrictions of this Policy.

In accordance with the Prince William County Library Use Policy, all signs, other than those produced by the Library, are prohibited on Library property. Signs posted on Library grounds will be removed and disposed of by Library staff.

However, at those library facilities that are used as polling places, signs may be placed outside the buildings for a maximum of 24 hours on Election Day. Pursuant to Virginia law, no electioneering may take place within 40 feet of any entrance of any polling place.

During times of absentee balloting, no signs are permitted on Prince William Public Library System property.
