APPROVAL CONDITIONS

1. This permit represents zoning approval for a Donation Drop-off Box (DDB) pursuant to section 32-400.22 of the Prince William Zoning Ordinance. The DDB is defined as: *“Any container, storage unit or unoccupied structure, other than an accessory building or structure, that is located outside of a building intended or used for the holding of charitable or for-profit donation items by the general public, including but not limited to clothing, toys, books, and newspapers, with the collection of donated items made at a later date or time. This term shall not include recycling collection points.”*
2. This Certificate is not transferable.
3. DDB shall not be allowed in any residential or agricultural zoning district, except on properties where a special use permit exists for a place of religious worship or assembly.
4. DDB is permitted only on properties that contain a primary permitted use.
5. DDB shall be separated by a distance of at least five hundred (500) feet.
6. DDB shall not obstruct pedestrian or vehicular circulation, nor be located in public rights-of-way, required building setbacks, landscape areas, drive aisles, required parking spaces, fire lanes, loading zones, buffers or any other location that may cause hazardous conditions, constitute a threat to the public safety, or create a condition detrimental to surrounding land uses.
7. Each DDB shall have a firmly closing lid and shall have a capacity no greater than six (6) cubic yards. No DDB shall exceed seven (7) feet in height.
8. DDB may be constructed of painted metal, rubber, wood, or plastic and shall be properly maintained in a safe and good condition.
9. DDB shall be clearly marked to identify the specific items and materials requested to be left for donation, the name of the operator or owners of the donation container, the entity responsible for maintenance of the drop-off box and removal of materials and trash from the immediate area, and a telephone number where the owner, operator or agent of the owner or operator may be reached at any time. The box shall display a notice stating that no items or materials shall be left outside of the DDB as well as a notice that shall read “Not for refuse disposal. Liquids are prohibited. Do not use for garbage, candy wrappers, soft drink bottles, etc.”
10. Occupation of a parking space by a DDB shall not reduce the number of available parking spaces below the minimum number required for the site.
11. All donated items must be collected and stored in the DDB. Donated items or materials shall not be left outside of a DDB and the area around each box shall be maintained by the owner or operator, or the property owner, free of litter and any other undesirable materials.
12. In addition to the above referenced requirements and procedures, a DDB that accept used clothing (exclusively or in part) shall adhere to the regulations pertaining to used clothing containers in Article II of Chapter 22 of the Prince William county Code.

I hereby certify that the information provided in this application is accurate, true and correct to the best of my knowledge and belief. I have read the above referenced conditions and hereby agree to abide by them. Approval of this application is based solely on the documentation provided with this application. If such information should be proven inaccurate at a later date, then approval will be considered invalid.
