Tax Scams

If you receive a letter in the mail stating a judgment has been issued because you have a tax debt that hasn’t been paid in full, it may be a scam.

The letter may state that you have a tax debt that needs to be paid in full by a specific date or call their number to avoid action. It may also state that they will garnish bank wages or bank accounts, and a lien has been issued on any property you own until payment is received.

- Whether or not you have a tax debt, DO NOT call the number listed in the letter.
- Check with your local tax department and/or the IRS though an independent phone number.
- Report the information to the Prince William County Police Department via the non-emergency number 703-792-6500.
